TINY SCHOLARS

AN IDEAL PLACE FOR A JOYFUL BEGINNING!

TODDLER AND PRE-PRIMARY SECTION

It is a well-known fact that a strong foundation plays a vital role in forging lifelong learning competencies.

PBAS is proud to announce that it has started its Toddler section from children aged 1.5+ years. We felt that we can bridge a gap between Montessori and High School education where our young Tots can learn through exploration and play learning methods. It will be a smooth transition from Toddler to Pre-Primary school with One time Admission Fees.

The Pre-Primary section is beautifully designed with big and colourful classrooms to stimulate young minds. The Tinytots are nurtured and taught concepts in a playful environment. Activities like singing, recitation, reading, writing, games are introduced. It is a fun place- a place to grow and learn.

A lot of concepts are introduced to children by making them experience through events. Programs like Father's Day, Sun Sea Sand, Grandparents Day, Fruits & Color Day, Kids Kitchen, Shape Day and many other activities are undertaken so that the child is engaged significantly.
